## GENERAL FEATURES

Natural shaped Ice! the optimal solution for long lasting freshness.

**ICE TECH CD** flaker ice makers will give you optimal cooling for a wide variety of products and applications.

Fresh food displays in Supermarkets and fast serve restaurants, sea food conservation and cocktails are just some day-to-day examples. But flakers are equally wide spread and used in laboratories, health care, industrial and very diverse scientific environments.

Flake ice enables various sectors to maintain temperatures controled and thus ensuring security in food, commercial, scientific and industrial applications.

The high grade foodsafe stainless steel and superior density isolation will ensure quality with an optimized energy consumption.
